

## 2015/2016 Preschool Enrollment

The BVSD Preschool program is an educational opportunity for children who turn 3 or 4 years old before September 30<sup>th</sup>, 2015. Our program offers four (4) half-day preschool sessions Tuesday through Friday in 18 of the BVSD elementary schools. Additional full day options are also available at our new Mapleton Early Childhood Center. Please read the directions below to enroll your child for the upcoming 2015-2016 preschool year.

Three funding opportunities are available through BVSD to cover the cost of preschool. Please peruse these options FIRST to decide which fits your family best. Use your determination to select the correct application track once you open the Online Preschool Application.

1. **Tuition**

Our program costs \$385/month

2. **Colorado Preschool Program (CPP)**

Funded through the State of Colorado, this option is for families that have financial and/or other hardships affecting their ability to pay full tuition for preschool.

3. **Special Education**

Funded through the State of Colorado, all of our preschool classrooms follow an inclusive education model for children receiving Special Education funding.
